

PRE-PRODUCTION GRAPHIC ARTIST

Philadelphia based screen & digital printing company seeks a production artist for a full time position. Candidate will work in-house. This is not a design position.

Command of Mac based OS and graphic programs (Illustrator, Photoshop, InDesign, & Quark, and more) a must.

This position requires a detailed individual to take customer & in-house art files and create compatible digital & screen printing layouts ready to print. Individual will be responsible for, but not limited to, layout, color correction, font manipulation, color separations, trapping files (Esko Power Trapper), ripping files with EFI Fiery and Harlequinn rip software.

Must possess excellent technical skills with print production knowledge. Must also have extreme attention to detail; ability to work well under tight deadlines and handle multiple priorities and projects.

Education / Experience

3+ years art production / prepress experience with a color house or commercial printer. College or Technical degree preferred.

Please reply to this ad with resume to be considered.

We offer Health, Dental, and a 401k plan for employees.

Hourly rate and hours will be discussed on an individual basis.
