Run AppleScript

```
on run {input, parameters}

    if ((input) as string) does not contain "18000" then

        -- do nothing and quit

        display dialog "I quit" -- remove this line after testing

        quit

    end if
    return input
end run
```

Results Options

Ask for Confirmation

the app did not quit

Your string contained "18000"

Cancel   OK
