

**We want to help** *build* **your small business,**  
**not make you jump through your bank's hoops.**

Getting a Small Business Administration (SBA) loan should make it easier to run your small business, not harder. As a SBA Preferred Lender, our expert team stays on top of the many frequently changing regulations to make sure your small business loan process is a sigh of relief, not a source of frustration.

Don't jump through hoops at some other bank. Call, click or come by a Mountain West Bank branch today.
