Quality Consciousness

National Hi-tech Enterprise

National Hi-Tech Enterprise is an authority from our government with hi-tech methods and innovations to produce our products.

ISO 9001 is the universal standard of our working process.

Our proofing paper meets the highest standards of Fogra in Germany for pre-press color management purpose.

Social Responsibility

Fortuna Imatek holds responsibility toward our planet, our environment and our people. FSC® certified papers maintain that certification all the way from wood to the finished box.

ISO 14001 is our commitment to environment surrounding us, especially with our chemicals.

UL audit proves that we care about our people working for our commissions

R&D

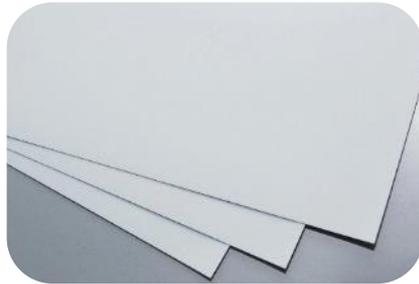

- 6% of revenue for R&D investment
- 4 invention patents
