- Clamp Opening 1-1/2" (3.8 cm)
- Minimum Cut 1-15/16" (3.8 cm)
- Maximum Cut Depth 15-1/4" (38.7 cm)
- Table Space In Front of Knife 9" (22.9 cm)

DIMENSIONS

- Overall Height 21-1/2" (54.6 cm) / with Stand 46-1/2" (115.6 cm)
- Overall Width 25-3/4" (65.4 cm)
- Overall Length 31" (78.7 cm)
- Net Weight 170 lbs (77 kg) / with Stand 256 lbs (116 kg)
- Shipping Weight 220 lbs (100 kg) / with Stand 326 lbs (148 kg) (approx.)

ELECTRICAL

- 1/2 H.P. 1 Phase, 60 Hz, 120 Volt, AC (15 Amps service)
- Standard 3-prong receptacle: NEMA 5-15 or 5-20

INCLUDES

- Knife (installed in cutter), (3) plastic cutting sticks, jogging aid / block, tool kit, operations manual, and knife changing tools.

ACCESSORIES & OPTIONS

- Knife #60011 \$168
- Cutting Sticks #60057 (Box of 12) \$24
- Jogging Aid / Block #60058 \$14
- Machine Stand #60065 \$260

Each of our **Certified Pre-Owned Spartan 150SA** cutters have been fully serviced, including a thorough detailed inspection by a Challenge factory trained technician. Sold with a standard 100-Day Limited Warranty, contact your dealer for additional details.

The **SPARTAN 150SA Paper Cutter** is a sleek, strong, 15" table-top machine perfect for the professional office, copy center, in-plant, and on-demand printing environment. Holding true to tradition, the Spartan 150SA is engineered and manufactured to the highest of safety standards available in the world.

FEATURES

- **Cutting:** Electric power - 1/2 HP gear drive motor
- **Manual Clamping:** Hand crank wheel system provides over 200% more clamping force than the lever clamping system. RESULT - a better cut
- **Backgauge Control:** manual
- **LED Digital Backgauge Position Indicator:** ± 0.01 " (± 0.25 mm) backgauge accuracy - provides for easier operator use, higher productivity, and more repeatable accuracy than a hard to read indicator on a scale as used by competitive brands
- **Laser Red LED Cut Line Light:** Produces a very sharp, easy to see cut line without the replacement problems of incandescent bulbs
- **Safety:** Safety covers over the front table (the cutting area) and rear table. Safety dual cut buttons require the simultaneous use of both hands to operate
- **Auto-Releasing Front Safety Shield:** Automatically pops open after each cut cycle is completed
- **Construction:** Heavy duty steel, cast iron, and cast aluminum construction gives it "Challenge durability". Hardened steel components and bronze bearings on most wear surfaces increase the life of the machine.
- **UHMW Gibs:** Result in the SPARTAN 150SA being virtually maintenance-free with lifetime durability

TITAN 200 CERTIFIED PRE-OWNED

The Titan series paper cutter continues the **Challenge** tradition of innovation delivering large cutters features in a 20" size. Catering to the demands of today's digital and on-demand printers, includes features like programmability and variable hydraulic clamping pressure.

Each of our Certified Pre-Owned Titan 200 cutters have been fully serviced, including a thorough detailed inspection by a Challenge factory trained technician. Sold with a standard 100-Day Limited Warranty, contact your dealer for additional details. With today's digital print market placing great demands on your business, some decisions can be difficult. Investments in cutting-edge wide format, inkjet, and digital print engines ensure you meet your customer's diverse needs, but there are so many choices! When it comes to choosing your next paper cutter, this one is easy...step up to a Titan 200!

PROGRAMMABILITY

- **Menu-Driven LCD Screen:** Offers ease of use for the digital / on-demand environments
- **Computer Backgauge Control:** Variable mode data entry, memory lockout, and push-out function
- **Job Recall / Save:** 99 available programs with 9,801 total cut memory
- **Computer Diagnostics:** provides necessary feedback for maintenance scheduling and blade replacement

FEATURES

- **Variable:** Speed Pinpoint Backgauge Control, an industry first, patent-pending
- **Cutting and Clamping:** Both hydraulic and clamp pressure is fully adjustable for your application
- **Bright LED Line Light** is easy to see and needs no future replacement
- **Safety:** The Titan 200 meets the toughest safety standards in the industry today with a front plexiglas shield, enclosed rear table, and knife safety latch. Features UL and CE certifications.
- **Construction:** Solid cast iron and steel construction ensure years of trouble-free operation. 1-inch thick tool grade aluminum table offers the strong work surface required in production environments
