## JetPlate Systems announces a milestone seldomly achieved by most companies!

The very first JetPlate user Quality Press, of Nashua NH, chose to upgrade to the current JetPlate 4880 system after using the original JetPlate 3000 system for 7 years!

**JetPlate 3000**  
Purchased in 2001

**"JetPlate CTP is the best thing that ever happened to the printing trade!"**  
- Drake Daniels, CEO Quality Press

**JetPlate 4880**  
Purchased in 2008

**"Quality Press' decision to upgrade their system after 7 years of use is testimony to JetPlate's durability and dependability."**

- Michael Sparbeck, President JetPlate Systems.

The only CTP system in the world that includes:

- Conventional Metal Plates
  - Halftone and Stochastic Screening
  - ICC Profiled Color Match Proofing
- In the Standard Package.

**\$29,900.00**
