## Volume 1

Acknowledgments .....	ix
Wheel .....	x
Introduction .....	xi
Components of the Training Curriculum .....	xii
Instructional Principles and Methods .....	xix
Notes for Step-by-Step Outline for Implementing the Curriculum .....	xxiii
Sample Time Line for the Sheetfed Offset Press Training Curriculum .....	xxv
Flowchart for Using the Sheetfed Offset Press Training Curriculum .....	xxvii
Presentation of Safety Practices .....	xxviii
General Safety Practices for Sheetfed Offset Press Operations .....	xxix
Requirements of the Sheetfed Offset Press Operator .....	xxx
Problem-Solving Principles .....	xxxi
Sheetfed Offset Press Training Curriculum Certificate of Completion .....	xxxv
Sheetfed Offset Press Training Curriculum Learning Materials .....	xxxvi

### Task I—Orientation to the Sheetfed Offset Press

Notes to the Instructor .....	1:2
-------------------------------	-----

#### Knowledge Sections:

1. History and Principles of Offset Lithography .....	1:3
2. Introduction to the Sheetfed Offset Press .....	1:15

#### Operations:

A. Identifying Sheetfed Press Configurations .....	1:24
B. Identifying Sheetfed Offset Systems .....	1:27

Task Review .....	1:29
-------------------	------

Task Review Answer Key .....	1:32
------------------------------	------

### Task II—Safety

Notes to the Instructor .....	2:2
-------------------------------	-----

#### Knowledge Sections:

1. General Safety .....	2:3
2. Chemical Safety .....	2:14
3. Physical Safety .....	2:23
4. Electrical Safety .....	2:29

#### Operations:

A. Press Safety .....	2:31
B. Sheet Feed, Register, and Delivery Safety .....	2:33

C. Printing Unit Safety .....	2:35
D. Production Safety .....	2:37
<b>Task Review</b> .....	2:39
<b>Task Review Answer Key</b> .....	2:42

### **Task III—The Feeder System**

<b>Notes to the Instructor</b> .....	3:2
<b>Safety Requirements</b> .....	3:3
<b>Knowledge Sections:</b>	
1. Feeder System Principles .....	3:4
2. Paper Manufacture .....	3:20
3. Paper Properties .....	3:27
4. Paper Types .....	3:36
5. Paper Selection .....	3:43
6. Paper Handling and Protection .....	3:49
7. Paper Problems .....	3:55
8. Feeder Problems .....	3:69
<b>Operations:</b>	
A. Loading Paper on the Pileboard .....	3:73
B. Setting Sheet Pickup and Feed Devices .....	3:75
C. Setting Feedboard Devices .....	3:77
<b>Task Review</b> .....	3:79
<b>Task Review Answer Key</b> .....	3:84

### **Task IV—The Sheet Register System**

<b>Notes to the Instructor</b> .....	4:2
<b>Safety Requirements</b> .....	4:3
<b>Knowledge Sections:</b>	
1. Sheet Register System Principles .....	4:4
2. Infeed and Sheet Transfer .....	4:10
<b>Operations:</b>	
A. Setting Front Guides .....	4:17
B. Setting Side Guides .....	4:19
C. Setting the Sheet Detectors .....	4:20
D. Setting Infeed and Transfer Grippers .....	4:21
E. Setting Sheet Transfer Devices .....	4:23
<b>Task Review</b> .....	4:24
<b>Task Review Answer Key</b> .....	4:27

## Task V—The Delivery System

<b>Notes to the Instructor</b> .....	5:2
<b>Safety Requirements</b> .....	5:3
<b>Knowledge Sections:</b>	
1. Delivery System Principles .....	5:4
2. Sheet Register System and Delivery Problems .....	5:11
<b>Operations:</b>	
A. Controlling Sheet Delivery .....	5:17
B. Maintaining the Delivery .....	5:19
<b>Task Review</b> .....	5:21
<b>Task Review Answer Key</b> .....	5:24

## Task VI—The Printing Unit

<b>Notes to the Instructor</b> .....	6:2
<b>Safety Requirements</b> .....	6:3
<b>Knowledge Sections:</b>	
1. Printing Unit Principles .....	6:4
2. Lithographic Plates .....	6:17
3. Blankets .....	6:34
4. Packing and Printing Pressures .....	6:54
5. Printing Unit Problems .....	6:68
<b>Operations:</b>	
A. Preparing Plate Cylinder(s) .....	6:75
B. Preparing Blanket Cylinder(s) .....	6:77
C. Packing Plate and Blanket .....	6:79
D. Mounting the Blanket .....	6:81
E. Mounting/Removing Plate .....	6:83
F. Aligning/Adjusting Cylinders .....	6:85
<b>Task Review</b> .....	6:87
<b>Task Review Answer Key</b> .....	6:91

# Volume 2

## Task VII—The Inking System

<b>Notes to the Instructor</b> .....	7:2
<b>Safety Requirements</b> .....	7:3
<b>Knowledge Sections:</b>	
1. Inking System Principles .....	7:4
2. Ink and Color Theory .....	7:28

3. Ink Characteristics . . . . .	7:38
4. Selecting and Using Lithographic Inks . . . . .	7:57
5. Inking Problems. . . . .	7:62

**Operations:**

A. Preparing the Inking System . . . . .	7:82
B. Operating the Inking System . . . . .	7:85
C. Mixing Ink . . . . .	7:87
D. Care and Maintenance of the Inking System. . . . .	7:91

<b>Task Review</b> . . . . .	7:93
------------------------------	------

<b>Task Review Answer Key</b> . . . . .	7:98
---	------

**Task VIII—The Dampening System**

<b>Notes to the Instructor</b> . . . . .	8:2
--	-----

<b>Safety Requirements</b> . . . . .	8:3
--------------------------------------	-----

**Knowledge Sections:**

1. Dampening System Principles and Practices . . . . .	8:4
2. Conventional Dampening Systems . . . . .	8:17
3. Continuous-Flow Dampening Systems . . . . .	8:25
4. Dampening Problems . . . . .	8:37

**Operations:**

A. Preparing the Conventional Dampening System . . . . .	8:50
B. Operating the Conventional Dampening System . . . . .	8:52
C. Preparing the Continuous-Flow Dampening System . . . . .	8:54
D. Operating the Continuous-Flow Dampening System . . . . .	8:56

<b>Task Review</b> . . . . .	8:58
------------------------------	------

<b>Task Review Answer Key</b> . . . . .	8:63
---	------

**Task IX—Press Makeready**

<b>Notes to the Instructor</b> . . . . .	9:2
--	-----

<b>Safety Requirements</b> . . . . .	9:3
--------------------------------------	-----

**Knowledge Sections:**

1. Premakeready . . . . .	9:4
2. Makeready . . . . .	9:8
3. Application of Reflection Densitometry . . . . .	9:25
4. Understanding Quality Control Devices and Test Images . . . . .	9:35
5. Makeready Problems . . . . .	9:41

**Operations:**

A. Preparing the Sheetfed Offset Press. . . . .	9:47
B. Making Trial Impressions and Producing the OK Sheet . . . . .	9:49

<b>Task Review</b> . . . . .	9:51
------------------------------	------

<b>Task Review Answer Key</b> . . . . .	9:56
---	------
